HOLIDAY BREAK FOR YEAR 2 SEMESTER 1

Greetings from Kabale School of Comprehensive Nursing Administration.

I thank the Almighty God who is still protecting us from COVID – 19 pandemic despite some challenges.

As guided by Ministry of Education and Sports, your daughter/son has been allowed home from 22th -24th November 2021 for a semester break and will come back on 3rd January 2022 to complete the semester. So encourage them to revise in order to perform in the forth coming examinations.

1. Academic:

Certificate 2nd year and Diploma 1st year students did their end of semester examination October 2021 and were allocated for field placement in Kisoro District. These include Certificate Comprehensive Nurses, Certificate Midwives, Certificate Nurses, Diploma Midwives and Diploma Nurses. The results are expected in due course.

2. Discipline:

a) This semester the students were involved in a number of indsciplinary bahaviour, the school highly condemn.

Further attention should be paid to the following:

b) Dressing code
We prohibit very short and indecent dressing code. All female students should only have short natural hair. Talk to your children to learn to dress decently. Boys too should not attempt to alter the school uniform. The authority shalll ask all those who alter the uniforms to pay more money for new uniforms.

All student uniforms must bear their names labelled on with white embroidery on the left side; this applies to the sweaters as well.

No open shoes will be allowed in the school during office hours, in classroom and clinical area. No un official jackets/sweaters will be brought to class/wards.

All male students must not wear any beard at any time. Any male student found in clinical area or classroom/school campus with unshaved beard will be punished accordingly. All Nurses are expected to be very clean and smart at all the time.

3. Health:
The school organized for COVID- 19 vaccination and we are grateful to inform you that majority of our students were vaccinated. We encourage the continuous observation of SOPS. In case any missed vaccination, one should do so before reporting back.

4. Utilities
We are cautioning our students to use electricity and water sparingly as the tariffs are high. For that reason anyone found misusing the above will be punished heavily.

5. Payment of School dues
a) (i) No student should report back without a fully paid up Bank receipt.

(ii) Use the Account Number below to deposit the money to the School Account in any nearest **Stanbic Bank in Uganda**:
Account Number: 9030005619490
Account Name: Kabale School of Nursing and Midwifery

b) No student will be registered for any examination without clearing all the school dues.

6. Requirements:
All students should endavour to report with all school requirements as indicated in the admission letter plus the following:

a) Reusable and disposable masks for personal use

b) Sanitizer for personal use.

c) Ensure your daughter/son comes with enough pocket money and personal items for use at school for the whole semester because there will be no visitation of students or going out of school.

7. Opening of the school
The semester will continue on 3rd January 2022 and students should report during day time from 8.00am – 5.00pm. For that reason each student should plan the journey to avoid unnecessary inconveniences, if not keep elsewhere until morning.

Note: All school activities will begin immediately.

May the Lord Bless you and wish you a Happy Christmas and a prosperous New Year 2022.

Nambiro Josephine Kigozi (Mrs)
